File No. Munis Dist II (R) 51

Gen. 194

509-B

Office of the R.L.A.

Government has decided that Abu Municipality being a Hill Station Municipality should consist of nominated members. The view taken by the Local Self Government and Public Health Department that the reasons are to be specified in the notification for having a nominated Board is not correct. Such reasons are to be specified in the case of a permanent municipal district other than a permanent municipal district at a hill station to which the provisions of sections 11, 12, 13 and 13-A are in the opinion of Government unsuitable.

A requisite draft notification is sent herewith. Under Section 23 which also applies to a hill station municipality, Government has got power to appoint an ex-officio President if it so desires.
